

Are you Awesome?

Or know someone who is?

Do you eat granola and spit out html?

Are you interested in sustainability, construction, or community outreach?

We like these things

- 10-15 hours a week? (we're flexible)
- Adobe skills (not a must but a plus)
- Web savvy and Wordpress Wizardry (or at least literacy or a willingness to learn)
- Writing Skills
- Willingness to bombard your friends by sharing Facebook updates from Green Canopy

Because if you are, than we want you! Green Canopy Homes is looking for an **energetic and creative individual** to fill an intern position in our office. We would love to have someone that knows their way around the back end of a website, has an aptitude for design, and a general interest in sustainability and marketing.

About Us: We retrofit existing homes for energy efficiency, sustainability, comfort and style. We are hard workers, we care deeply about our impact on the planet, and we play as hard as we work.

please send your resume and a writing sample to:
